

YAC SpringCon Planning Minutes 2013

Meeting start- 9:55pm

❖ Bridging

- A young adult program member showed up at the meeting to represent the YA's and offer their assistance to the bridging from the youth program to the young adult.
- With this offer in place, the YAC asked that a couple young adults show up at the SpringCon, given the general time estimate of when they can show up to be anywhere from 5pm Saturday if they'd like to join us for dinner to 12am. This will give a large available interval for graduating seniors to chat with the young adults to get an idea of what the program is like and to actually bridge into that program than just out of the youth.
